YOUR SUPPORT FOR THE ARTS EMPOWERS OUR STUDENTS TO **GO GREATER**.

"**What I will take away from my studies at the College of the Arts** is a deep passion for music and a newfound confidence in my ability to use it to change our world. I am more certain now than ever before about my decision to dedicate my life and future to this art. Music is a right, not a privilege, and all students should be given the opportunity to explore their potential in music and find their unique voice."
