ALUMNI_NAME,

As a donor to the UF College of Medicine, you're more than a supporter – you're part of a dedicated Gator Nation community advancing health care's future. Your choice to give reflects a commitment to something greater – changing lives, pushing the boundaries of medical knowledge and ensuring students, researchers and providers make a real difference.

Together with fellow Gators, you're building a legacy of excellence and compassion that fuels innovation, drives discovery and sustains tomorrow's health care leaders. Because of supporters like you, we can tackle today's challenges and prepare for future breakthroughs.

This year, we have an incredible opportunity to double your generosity's impact. Thanks to Ken and Linda McGurn, every gift will be matched dollar-for-dollar, up to \$500,000! Your support will help build a scholarship fund providing full-tuition scholarships for exceptional students, empowering them to pursue their dreams without financial barriers.

Please consider making your gift today to continue this legacy. Your support embodies the strength and vision of the Gator Nation.

With heartfelt appreciation,

JENNIFER HUNT, M.D., M.ED.

Interim Dean, UF College of Medicine
Folke H. Peterson Dean's Distinguished Professor

UNIVERSITY of FLORIDA

YOUR Commitment >>

"There is a shortage of doctors nationwide. We need to attract more quality people into the profession. The burden of student debt and the stress of the vocation have led many good physicians to leave the profession. Four years of paying for school prevents many qualified people from attending. Scholarship money will help the University of Florida attract the best candidates. It will reduce the financial debt that straps so many of our graduating doctors."

KEN AND LINDA MCGURN

The McGurns are generously matching every gift to this scholarship fund up to
\$500,000!

Join them today in making a profound impact on students' lives.

YOUR Impact >>

Thank you for donating to the future physicians of Florida. With your contribution, I am able to focus on honing my skills to become a competent and compassionate physician. It is your help that has allowed me to pursue a dream that seemed out of reach. Thank you."

Thank you for your generosity. And most importantly, thank you for the legacy you've built – one that we are honored to carry forward. Because of you, we are empowered to dream bigger, work harder and someday, to stand where you stand now, helping the next generation as you have helped us."

Scholarships gave me the freedom to choose my own path with my goals and mission at heart. I can choose the specialty that allows me to live with purpose and to care for our vulnerable populations. I want to thank you from the bottom of my heart for making my dreams a reality."
