The Gator Nation® is a strong force committed to greatness, ~~for themselves and UF.~~
We believe that when Gators unite we can go farther ... Together; and we accept the challenge to achieve more.

Your alumni association plays a vital role in harnessing the impact our alumni make on the world. We provide programs that support students, alumni and friends of the University of Florida; and we work every day to celebrate the triumphs of The Gator Nation. It is in this spirit that I ask you to show what it means to be a part of The Gator Nation by becoming a UF Alumni Association (UFAA) member. If you join by November 6th, we will send you UF address labels as a thank you for your support.
